

Long ago, the Maruflans sent the Sage into the world of men.
He was a Sage of many powers.

You must find him and bring him back here. He alone can save us. He knows how to rekindle the fireball.

Would you rather the Maruflans cleave us all in twain when the barrier stops working?

Have you seen Blanco? He'd stick out like a sore thumb.

And with those little feet, he won't get far.
