

Can't open it...
What's in it?
How confounding
...

And even
if I could open
it... What
would I do
with its
content?
...

Here?
Nothing!
...

Ah
well...

...those
who buried
it here will
come back
to fetch it
...

But
perhaps not
before a
long long
time
...

...
Possibly even
never, if they're
dead or in jail
...
